By the authority vested in the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors, and Landscape Architects under section 327.041, RSMo Supp. 2001, the board amends a rule as follows:

4 CSR 30-13.010 Immediate Personal Supervision is amended.

SUMMARY OF COMMENTS: The Missouri Board for Architects, Professional Engineers, Professional Land Surveyors, and Landscape Architects received one (1) letter of comment on the proposed amendment to board rule 4 CSR 30-13.010 from E. Tom Pyle, Jr. on October 2, 2002.

COMMENT: Mr. Pyle believes that the proposed amendment has serious flaws which the board would appear to sanction unlawful acts. Therefore, he suggested some additional wording which, in his opinion, would greatly reduce litigation in this area.

RESPONSE: Even though Mr. Pyle's comment was received prior to the published comment period, the board chose to review and consider it anyway. Upon review, the board agreed it would not be necessary to change the content of the proposed amendment since the concern raised by Mr. Pyle is already addressed in the board's rule

on professional conduct. Therefore, the board decided to make no change in the proposed amendment.

**Division 150—State Board of Registration for the Healing Arts
Chapter 5—General Rules**

ORDER OF RULEMAKING

By the authority vested in the State Board of Registration for the Healing Arts under sections 334.104.3, RSMo Supp. 2002 and 334.125 and 335.036, RSMo 2000, the board amends a rule as follows:

4 CSR 150-5.100 Collaborative Practice is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2,

2002 (27 MoReg 2146). No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A total of two (2) written letters of comment were submitted to the Boards of Nursing and Healing Arts regarding this proposed rule amendment. The State Board of Registration for the Healing Arts received one (1) written comment in opposition to the proposed change. The State Board of Nursing received one (1) written comment in support of the proposed change. No public hearing was held.

COMMENT: The Missouri State Medical Association (MSMA) submitted one (1) written comment to the State Board of Registration for the Healing Arts. MSMA opposed the rule amendment citing the following points: (a) inability to “imagine a scenario wherein a mere thirty (30) days of common-site collaboration between physician and nurse,” an important patient-safety provision, could warrant waiver in an isolated incident or two; (b) concern about future boards’ interpretation of what “seems to be a very lax standard” of language used to identify emergency situations; and (c) belief that the approval process of both boards, as a matter of practicality, “would need close to thirty (30) days” to address the waiver request.

RESPONSE: The Boards of Healing Arts and Nursing acknowledged the comment but decided that it was important for the boards to have the option to consider a waiver to the one (1) calendar month common-site collaboration. Anecdotically, there have been at least four (4) instances reported that might have prompted such a waiver request. These situations involved collaborating physician accidental death, incapacitating illness, and abrupt termination of employment and/or collaborative practice arrangement. Recognizing that consistent and expeditious handling of waiver requests will be necessary, the boards will utilize written guidelines. The boards concurred to leave the existing amendment language in place.

COMMENT: The Missouri Nurses Association (MONA) submitted one (1) written comment to the State Board of Nursing. MONA supported the rule amendment citing the following points: (a) awareness of advanced practice nurses being confronted by instances of untimely physician termination, ranging “from death of the collaborating physician to abandonment of the practice by the collaborating physician”; and (b) under such circumstances, a need to ensure continuity of care for the patients “until another collaborative practice agreement is established.”

RESPONSE: The Boards of Nursing and Healing Arts acknowledged the comment but also wanted to clarify that the proposed amendment does not allow for continuation of patient care by an advanced practice nurse in the absence of a collaborative practice arrangement. Granting of a waiver would only impact the one (1) calendar month common-site collaboration requirement. The boards concurred to leave the existing amendment language in place.

ORDER OF RULEMAKING

By the authority vested in the State Board of Pharmacy under sections 338.010.1, 338.015.2, 338.140 and 338.280, RSMo 2000, the board withdraws a rule as follows:

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 16, 2002 (27 MoReg 2268). This proposed amendment is withdrawn.

SUMMARY OF COMMENTS: One comment was received from the Missouri State Medical Association (MSMA) in opposition to the rule. The commentator feels the amendment is vague and does not identify the problem the board is attempting to resolve. MSMA stated the proposed terminology raises the specter of therapeutic substitution, to which they are adamantly opposed. MSMA believes the existing rules and statutes already require the pharmacist to maintain patient records, to consult with patients about safe and effective use of drugs and to take steps necessary to optimize drug therapy. They do not feel the additional language regarding drug appropriateness is necessary.

RESPONSE: After a detailed discussion of the proposed amendment, it was the board's decision to withdraw this amendment.

ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.065, 337.600, and 337.627, RSMo 2000 and 337.650, 337.653, 337.665, 337.674, 337.686 and 337.689, RSMo Supp. 2001, the committee amends a rule as follows:

4 CSR 263-1.010 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2169). The section with changes is reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter suggested that language be added to include the licensing of baccalaureate social work statutory reference in subsections (1)(D) and (1)(H). Additionally, NASW suggested section 337.653.4(2), RSMo be deleted from subsection (1)(H) due an inappropriate citing. The word “generalist” is not used in sections 337.650 to 337.689, RSMo for licensed baccalaureate social work. Section 337.650(6), RSMo refers to the “practice of baccalaureate social work,” therefore, NASW asked that consistency of wording and appropriate referencing be maintained.

RESPONSE AND EXPLANATION OF CHANGE: The committee concurred with the recommended language changes for subsections (1)(D), (1)(H), and (1)(M) and amended the text of the rule.

4 CSR 263-1.010 Definitions

(1) The words defined in sections 337.600–337.633, RSMo shall have the same meaning when used in these rules, unless the context plainly requires a different meaning.

(H) “Client” means any individual, couple, family, group, organization or community for whom the practice of licensed social work, as defined in sections 337.600(6), 337.650(6), 337.653.2(3) and (8), 337.686(1) and (6) and 337.689, RSMo, is provided.

Title 4—DEPARTMENT OF ECONOMIC DEVELOPMENT Division 263—State Committee for Social Workers Chapter 1—General Rules

ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.627, RSMo 2000 and 337.612, 337.677 and 620.010.15(6), RSMo Supp. 2001, the committee amends a rule as follows:

4 CSR 263-1.035 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2170–2171). The section with changes is reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: In order to maintain consistency as set forth in subsection (1)(A) the National Association of Social Workers (NASW) — Missouri Chapter suggested that language be added to subsection (1)(D) to include section 337.650(5), RSMo as it references the “licensed baccalaureate social worker.” NASW also questioned why a fee for provisional licensed baccalaureate social work was not established. According to section 337.650(7), RSMo provisional is a recognized level of licensure for these individuals. The *Missouri Register*, proposed rule, page 2176 indicated this level of licensure has a fiscal note for processing but it has not been reflected in a fee. NASW further questioned why a new category of fees has been created in subsection (1)(G) and has a cost two (2) times the original late renewal fee as established in subsection (1)(D). Sections 337.600–337.689, RSMo did not indicate in statute a fee change/restructure

for this process. 4 CSR 263-1.035 Fees reflects a substantial excess of revenue that will be burdensome to the registrant and possibly will even hinder them from obtaining licensure at this level. NASW opposes the fee structure for licensed baccalaureate social workers versus licensed clinical social workers as set forth in 4 CSR 263-1.035.

RESPONSE AND EXPLANATION OF CHANGE: The committee concurred with the recommendation to maintain consistency when referencing licensed baccalaureate social workers and amended subsection (1)(D). The committee further noted in developing the fiscal notes, the total public entity costs were determined by using allotment figures for personal service, expense and equipment, and transfers (which includes rent and utilities) based on actual costs incurred by the committee. The fees were then set to accommodate the projected costs of administering the committee based on the number of licensed social workers in the state.

4 CSR 263-1.035 Fees

(1) The following fees are established by the committee and are payable in the form of a cashier's check, personal check or money order:

(D) Application/Initial License Fee as a Licensed Baccalaureate Social Worker

- | | |
|---|----------|
| 1. October–January (two (2)-year license) | \$200.00 |
| 2. February–May (one and one-half (1 1/2)-year license) | \$150.00 |

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW) – Missouri Chapter noted that subsection (2)(B) is referenced in subsection (2)(A) but was not published in the *Missouri Register*. The new language added in subsection (2)(C) will make social workers ineligible to obtain licensure by reciprocity based on 4 CSR 263-2.060(1) and sections 337.600–337.639, RSMo since their supervision will have been completed in another state and not pre-approved by the Missouri State Committee of Social Workers. A similar concern applies to the Academy of Certified Social Workers (ACSWs) within the state of Missouri which are not licensed but may decide to apply for the licensed clinical social worker license. The ACSW has obtained three thousand (3,000) hours of supervision for this credential, but have not had the Missouri State Committee for Social Workers pre-approve the supervision. There are also a number of baccalaureate social workers throughout the state that currently qualify for the licensed baccalaureate social worker license and should be provided the opportunity to use their prior supervised experience without penalty to obtain the licensure. NASW also noted section 337.600(6), RSMo defines the practice of clinical social work and 337.650(6), RSMo defines the practice of baccalaureate social work. The supervised experience of these two (2) areas of practice are not the same and must be identified separately. NASW suggested subsection (2)(C) be amended to state: “The practice of clinical or baccalaureate social work of the supervisee shall be performed under the oversight, guidance, control and full professional responsibility of the supervisor, where practicable, or exempt those applying through reciprocity or who have received supervision prior to the rule to be pre-approved by the committee, in compliance with all laws and regulations relating to the practice of clinical or baccalaureate social work.” NASW also noted that sections 337.650, 337.665, 337.662, RSMo 2000 and 337.677, RSMo Supp. 2001 were omitted for the Authority section of the proposed amendment.

RESPONSE AND EXPLANATION OF CHANGE: Only subsections containing changes to the text are printed in the *Missouri Register*. Since no change was made to the text of (2)(B) the subsection was not reprinted as part of the proposed amendment. The

committee agreed that some applicants could be negatively affected by the pre-approved supervision provision and made changes to the text of the rule. The committee also made changes within the Authority section of the rule.

4 CSR 263-2.030 Supervised Licensed Social Work Experience

(2) Acceptable supervised licensed social work experience has the following characteristics:

(C) The practice of clinical or baccalaureate social work of the supervisee shall be performed under the oversight, guidance, control and full professional responsibility of the supervisor, pre-approved by the committee, in compliance with all laws and regulations relating to the practice of social work. In the event the applicant fails to pre-approve their supervisor(s), or are applying through reciprocity, the committee may review the supervision for compliance and consideration for licensure.

AUTHORITY: sections 337.600 and 337.627, RSMo 2000 and 337.612, 337.615, and 337.650, 337.662, 337.665, and 327.677, RSMo Supp. 2001.

Title 4—DEPARTMENT OF ECONOMIC DEVELOPMENT Division 263—State Committee for Social Workers Chapter 2—Licensure Requirements

ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.600 and 337.627, RSMo 2000 and 337.612, 337.615, 337.665 and 337.677, RSMo Supp. 2001, the committee amends a rule as follows:

4 CSR 263-2.031 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2172-2173). Sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: After reviewing the rules as published in *Missouri Register*, the committee made a change to subsection (1)(B) of the text.

RESPONSE AND EXPLANATION OF CHANGE: Subsection (1)(B) was amended to remove the word “clinical” with respect to the type of social work experience to be supervised by a licensed clinical or baccalaureate social worker whose license has been subject to probation, suspension or revocation.

COMMENT: Registrants for licensure of chapter 337.600-337.689 will not be receiving clinical supervision based on section 337.653, RSMo. The National Association of Social Workers (NASW)—Missouri Chapter suggested the word “clinical” be removed from subsection (1)(B) since it is referring to both licensures. Sections 337.600-337.689, RSMo does not define the “practice of social work.” Section 337.600(6), RSMo defines the practice of clinical social work and section 337.650(6), RSMo defines the practice of baccalaureate social work. The supervised experience of these two (2) areas are not the same and must be identified separately. Therefore, NASW further suggested section (2) be amended to state: “The practice of clinical or baccalaureate social work of the supervisee shall be performed under the supervisor’s control, oversight, guidance and full professional responsibility.”

RESPONSE AND EXPLANATION OF CHANGE: The committee concurred with the recommended language for section (2) and amended the text of the rule.

4 CSR 263-2.031 Acceptable Supervisors and Supervisor Responsibilities

(1) An acceptable supervisor for clinical social worker licensure is a Missouri licensed clinical social worker or licensed clinical social worker from another state whose licensure laws, as determined by the committee, are equivalent to Missouri. An acceptable supervisor for baccalaureate social worker licensure is a Missouri licensed clinical social worker or licensed clinical social worker from another state, or a Missouri licensed baccalaureate social worker or licensed baccalaureate social worker from another state, whose licensure laws, as determined by the committee, are equivalent to Missouri. The acceptable supervisor cannot be a relative of the supervisee.

(B) A licensed clinical social worker or licensed baccalaureate social worker whose license has been subject to probation, suspension or revocation may be prohibited from providing supervised social work experience in Missouri. The licensed social worker shall not supervise during the period the license is under discipline.

(2) The practice of clinical or baccalaureate social work of the supervisee shall be performed under the supervisor’s control, oversight, guidance and full professional responsibility. This shall include all applicable areas of practice including but not limited to:

ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.600 and 337.627, RSMo 2000 and 337.612, 337.615, 337.665, and 337.677, RSMo Supp. 2001, the committee amends a rule as follows:

4 CSR 263-2.032 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2173). The section with changes is reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter noted the language of section (1) indicates a social worker shall register their supervision for approval with the committee which will cause several categories of social workers applying for this licensure to become ineligible. Reciprocity candidates and baccalaureate social workers who currently qualify for the licensed baccalaureate social worker license should be provided the opportunity to use their prior supervised experience. Therefore, NASW suggested section (1) be amended to state: “Supervised social work experience shall be registered where practicable, or exempt those applying through reciprocity or who have received supervision prior to the rule for approval by the committee. This will ensure that the supervision is acceptable to the committee prior to applying for licensure.” Sections 337.600-337.689, RSMo does not define “social work.” Section 337.600(6), RSMo defines the practice of clinical social work and section 337.650(6), RSMo defines the practice of baccalaureate social work. Therefore, NASW also suggested amending section (4) to state: “The applicant for registration of supervision shall provide clinical or baccalaureate social work under

the order, control, oversight, guidance, and full professional responsibility of the approved registered supervisor at the setting(s) approved by the committee.”

RESPONSE AND EXPLANATION OF CHANGE: The committee concurred with the recommended language for section (4) and amended the text of the rule. The committee discussed the comments received regarding section (1), however, the committee voted to make no change to the text of the rule.

4 CSR 263-2.032 Registration of Supervised Social Work Experience

(4) The applicant for registration of supervision shall provide clinical or baccalaureate social work under the order, control, oversight, guidance, and full professional responsibility of the approved registered supervisor at the setting(s) approved by the committee.

4 CSR 263-2.045 Provisional Licensed Clinical Social Worker is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2173–2174). No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter stated that Missouri has only one (1) tier of licensure for a master’s degree social worker, the licensed clinical social worker. The master’s degree has two (2) areas of concentration, macro and micro practice, which apply for this licensure. By the removal of the advanced exam, the State Committee of Social Workers has limited the options for social workers to take the exam equivalent to their concentration to obtain licensure in Missouri. NASW requested the State Committee of Social Workers maintain the advanced exam for licensed clinical social workers in Missouri. **RESPONSE:** The committee discussed the comment during their review and voted to make no changes to the text of the rule based on the comment at this time.

Division 263—State Committee for Social Workers Chapter 2—Licensure Requirements

ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.653, 337.665 and 337.677, RSMo Supp. 2001, the committee adopts a rule as follows:

4 CSR 263-2.047 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2174–2177). The section with changes is reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter stated sections 337.600–337.689, RSMo do not define social work and section 337.650(6), RSMo defines the practice of baccalaureate social work. Therefore, NASW suggested section (5) be amended to state: “The applicant for provisional baccalaureate social work licensure shall provide baccalaureate social work as defined in section 337.653.1 RSMo, under the order, control, oversight, guidance, and full professional responsibility of the approved registered supervisor at the setting(s) approved by the committee.” NASW further noted that section 337.653.1, RSMo does not directly cite the practice for this licensure category, therefore, section (5) needs to cite a definition for baccalaureate social work which is not defined within sections 337.600–337.689, RSMo. Additionally, NASW noted that section 337.665.4, RSMo cites a specific part of section (5) and should be included in the Authority section of the rule. NASW stated the Public Fiscal Note indicates there is a cost for the provisional licensure of baccalaureate social workers, however, 4 CSR 263-1.035 Fees, does not reflect the same cost for this licensure category.

RESPONSE AND EXPLANATION OF CHANGE: The board concurred with the recommended language for section (5) and amended the text of the rule.

COMMENT: NASW requested the State Committee of Social Workers provide the reason for this licensure category being omitted from the fee structure when it clearly shows a cost.

RESPONSE AND EXPLANATION OF CHANGE: The committee does not currently charge clinical social workers for the provisional license, therefore, to maintain consistency, the committee will not charge a fee for the baccalaureate social worker provisional license.

4 CSR 263-2.047 Provisional Licensed Baccalaureate Social Worker

(5) The applicant for provisional baccalaureate social work licensure shall provide baccalaureate social work as defined in section 337.653.1, RSMo, under the order, control, oversight, guidance, and full professional responsibility of the approved registered supervisor at the setting(s) approved by the committee.

Division 263—State Committee for Social Workers Chapter 2—Licensure Requirements

ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.600, 337.627 and 337.630, RSMo 2000 and 337.612 and 337.615, RSMo Supp. 2001, the committee amends a rule as follows:

4 CSR 263-2.050 Application for Licensure as a Clinical Social Worker is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2178). No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter stated Missouri only has one tier of licensure for a master’s degree social worker, the licensed clinical social worker. The master’s degree has two (2) areas of concentration, macro and micro practice, which apply for this licensure. By the removal of the advanced exam, the State Committee of Social Workers has limited the options for social workers to take the exam equivalent to their concentration to obtain licensure in Missouri. Therefore, NASW requests the State Committee of Social Workers maintain the advanced exam for the licensed clinical social worker in Missouri. NASW further noted the Public Entity Fiscal Note indicates there is a processing cost of approximately \$124.28 for the Application of Licensure as a Licensed Baccalaureate Social Worker while 4 CSR 263-1.035 Fees, indicates \$200 fee. The State Committee of Social Workers in accordance with section 337.662.4, RSMo shall set fees at a level to produce revenue, which shall not substantially exceed the cost and expense of administering the provisions of sections 337.600–337.689, RSMo. 4 CSR 263-1.035 Fees, reflects a substantial excess of revenue that will be burdensome to the registrant and possibly will even hinder them from obtaining licensure at this level. NASW opposes the fee structure for licensed baccalaureate social workers versus licensed clinical social workers as set forth in 4 CSR 263-1.035. NASW also noted the Private Entity Fiscal Note estimates twenty (20) individuals will apply for licensure of baccalaureate social workers annually. The estimated number of individuals who will apply for this licensure is not accurately reflected in this fiscal note. NASW—Missouri Chapter currently has a roster with over twenty (20) baccalaureate social workers interested in obtaining a licensed baccalaureate social worker license in Missouri. These social workers have met a percentage of the licensure requirement and criteria set forth in statute under sections 337.650–337.689, RSMo.

RESPONSE: The committee discussed the advanced examination during their review and voted to make no changes to the text of the rule at this time. The committee further noted in developing the fiscal notes, the total public entity costs were determined by using allotment figures for personal service, expense and equipment, and transfers (which includes rent and utilities) based on actual costs incurred by the committee. The fees were then set to accommodate the projected costs of administering the committee based on the number of licensed social workers in the state.

ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.665 and 337.677.1, RSMo Supp. 2001, the committee adopts a rule as follows:

4 CSR 263-2.052 Application for Licensure as a Licensed Baccalaureate Social Worker **is adopted.**

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2178–2181). No changes have been made to the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter requested the State Committee of Social

Workers request clarification in regard to the Public Entity Fiscal Note, specifically that the committee provide an explanation of where the \$6.21 total annual cost of compliance for the life of the rule is incorporated into the section on Licensure by Reciprocity as a Licensed Baccalaureate Social Worker as presented in the Private Entity Fiscal Note. NASW requested the committee provide a breakdown of how the fee of two hundred twenty-five dollars (\$225) was estimated for licensure by reciprocity as a licensed baccalaureate social worker.

RESPONSE: Pursuant to section 337.662.4, fees shall be set at a level to produce revenue, which shall not substantially exceed the cost and expense of administering the provisions of sections 337.650 to 337.689, RSMo. The committee is committed to only charging those fees necessary to ensure it is able to administer section 337.650 to 337.689, RSMo. In addition, the committee is prohibited from maintaining a fund balance in excess of three (3) times its appropriation. However, in order to protect the public, the committee is required to investigate complaints that are received against licensees. Because the committee does not have statutory authority to impose fines to recoup costs from investigations, the cost for investigations is paid out of the social worker fund, which is comprised of the fees collected from applicants and licensees. Additionally staff salaries, board meeting costs, rent, utilities, division and department overhead costs, and other expenses necessary to the daily operation of the committee are also paid out of the social worker fund.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter requested the State Committee of Social Workers request the committee provide an explanation of the public and private entity fiscal notes and a breakdown of how the fee was estimated for this licensure category.

RESPONSE: In developing the fiscal notes, the total public entity costs were determined by using allotment figures for personal service, expense and equipment, and transfers (which includes rent and utilities) based on actual costs incurred by the committee. The fees were then set to accommodate the projected costs of administering the committee based on the number of licensed social workers in the state. ORDER OF RULEMAKING

By the authority vested in the State Committee for Social Workers under sections 337.665, 337.671 and 337.677.1, RSMo Supp. 2001, the committee adopts a rule as follows:

4 CSR 263-2.072 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2186). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter stated that registrants for licensure in section 337.600–337.689, RSMo will not be practicing clinical social work based on section 337.650, RSMo. Section 337.650–337.689, RSMo does not define social work. Section 337.650(6), RSMo defines the practice of baccalaureate social work. Therefore, NASW recommended section (2) state: “Temporary permit applicants must submit to the committee the application for reciprocity form and fee, along with the verification form, provided by the committee, completed by the regulatory entity verifying that the individual holds a valid, unrevoked, undisciplined, unrestricted, unexpired license as a baccalaureate social worker in that state, territory, province or country whose licensing or certification requirements are substantially similar to those in Missouri, as determined by the committee. The applicant has the burden of providing the information necessary for determination of this issue.” Additionally, NASW recommended section (5) state: “Individuals who have temporary permits are subject to the statutes and regulations promulgated by the committee governing the practice of baccalaureate social work.”

RESPONSE AND EXPLANATION OF CHANGE: The board concurred with the recommended language for sections (2) and (5) and amended the text of the rule.

SUMMARY OF COMMENTS: One (1) comment was received.

COMMENT: The National Association of Social Workers (NASW)—Missouri Chapter noted that the Public Entity Fiscal Note estimated a processing cost of three thousand six hundred twenty-nine dollars and three cents (\$3,629.03) for the renewal of licensure. NASW requested the State Committee for Social Workers provide a breakdown of how the one hundred (\$100) renewal fee was estimated for the renewal of licensure as presented in the private entity fiscal note. The private entity fiscal note estimated forty-six (46) licensed baccalaureate social workers will renew their license biennially. However, the private entity fiscal note for 4 CSR 263-2.052 Application for Licensure as a Licensed Baccalaureate Social Worker, estimates twenty (20) individuals will apply for licensure annually and the private entity fiscal note for 4 CSR 263-2.062 Licensure by Reciprocity as a Licensed Baccalaureate Social Worker, estimates that one (1) individual will apply for licensure annually. NASW requested the State Committee of Social Workers provide an explanation of the other four (4) social work licensures having a fiscal impact on the proposed rule.

RESPONSE AND EXPLANATION OF CHANGE: A revised fiscal note will be filed with the final order of rulemaking.

ORDER OF RULEMAKING

By the authority vested in the State Board of Education under sections 160.720 and 161.092, RSMo Supp. 2002, the board adopts a rule as follows:

COMMENT: One (1) comment questioned students transferring when there is only one (1) building with that grade level in a district.

COMMENT: Three (3) comments questioned the retention and recruitment of teachers in a priority school asking if all teachers need a mentor or must pass a test, with one (1) comment wanting more planning time for teachers and wanting to use the enhancing Missouri's Instructional Networked Teaching Strategies (eMINTS) training, and one (1) comment questioned the desirable class sizes.

RESPONSE: The State Board of Education carefully reviewed the comments and decided to make no changes.

COMMENT: Twenty-four (24) comments questioned the use of the MAP test especially to evaluate a high school, many suggested using the additional standard of the ACT test to evaluate a high school, six (6) comments questioned retesting to be removed as a priority school and the costs associated, two (2) comments questioned the Missouri School Improvement Program (MSIP) scoring guide being used to evaluate buildings, and one (1) comment questioned the training of MAP scorers.

**Title 12—DEPARTMENT OF REVENUE
Division 10—Director of Revenue
Chapter 2—Income Tax**

ORDER OF RULEMAKING

By the authority vested in the director of revenue under section 143.431, RSMo 2000, the director amends a rule as follows:

12 CSR 10-2.045 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 2, 2002 (27 MoReg 2203-2208). Changes have been made, and the sections with change are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The department received four (4) comments from two (2) different commentors on its proposed amendment to regulation 12 CSR 10-2.045. The Joint Committee on Administrative Rules requested a hearing on this amendment; the department is making a change in section (35).

COMMENT: The comment stated that the new elections under the new amended regulation create additional paperwork, and could potentially create a trap for unwary taxpayers.

RESPONSE: The comment appears to be about requiring permission to file a consolidated return after the Missouri Supreme Court decision in *General Motors Corp. v. Director of Revenue*, 981 S.W.2d 561 (Mo. banc 1998). The comment addresses a taxpayer that began filing a consolidated return after the Court's decision. The only provision requiring permission to file a consolidated return is in section (17). Once a group is disqualified under section (16), it may not file a consolidated return for five (5) years unless it receives permission under section (17). Section (17) is not relevant to the situation set forth in the comment. The proposed amendment does not create a permission requirement for the situation presented in the comment. The department has not made a change to the proposed amendment in response to this comment.

COMMENT: The comment concerns two different situations regarding the election to change the interstate division of income method. The first situation concerns the affiliated group's election of an apportionment method for a tax year without being required to use the same apportionment method as was used on the prior tax year's return. The second situation concerns the affiliated group's election of a different apportionment method for a tax year after it has filed its return for that tax year.

RESPONSE AND EXPLANATION OF CHANGE: As to the first situation in this comment, section (20) requires the affiliated group to continue to use the method of apportionment that it elected for its first consolidated return for all subsequent periods. As to the second situation in this comment, section (21) prohibits the affiliated group from changing its apportionment method for a tax year after the due date of the return for that tax year.

The comment would change section (20) to allow an affiliated group electing to file a consolidated return the choice of using the interstate division of income (apportionment) method from one (1) year to the next, similar to the choices available to a stand-alone corporation. The department agrees to make a change in the wording of section (20) to effectuate this position.

The comment would change section (21) to allow an affiliated group to change its apportionment method after it has filed its consolidated return. An affiliated group may elect an interstate division of income (apportionment) method for each tax year, as separate companies are allowed to do. As drafted, affiliated groups electing to file a consolidated return are treated the same as all other taxpayers and should not be allowed to change an election after the return is

filed and the due date has passed. This is necessary to prevent manipulation of the tax liability. This is in accord with the holding of the Missouri Supreme Court's decision in *Bartlett & Company Grain v. Director of Revenue*, 649 S.W.2d 220 (Mo. banc 1983). The department has not made a change to the proposed amendment concerning this comment about section (21).

COMMENT: The comment proposes to eliminate language in section (35) that would allow the director to terminate the right of an affiliated group to continue filing Missouri consolidated returns. This is one of the remedies available if the director finds that the consolidated return does not clearly reflect the Missouri taxable income from Missouri sources provided in section 143.431.3(5), RSMo.

RESPONSE: Section 143.431.3(5), RSMo, allows the director to prescribe regulations not inconsistent with the provisions of Chapter 143 so that the tax liability of the consolidated group clearly reflects Missouri taxable income. The requirement in section 143.341.3(1), RSMo, for filing a consolidated return is now that a group files a federal consolidated return. It may be difficult to find that Missouri taxable income is not clearly reflected simply because a consolidated return is filed. Nevertheless, the statute authorizes the director to make such a determination. The *Suburban Newspapers of Greater St. Louis, Inc. v. Director of Revenue*, 975 S.W.2d 107 (Mo. banc 1998) case appears to say that if an apportionment method is followed correctly, Missouri income is clearly reflected. The Missouri Supreme Court made no comment about the Administrative Hearing Commission's holding that the director had such authority. *Suburban Newspapers of Greater St. Louis et al. v. Director of Revenue*, Case No. 95-000337 RI (Missouri Administrative Hearing Commission, September 15, 1997).

The regulation allows various adjustments to a consolidated return to insure Missouri income is properly reflected. As the comment does not accurately take into account the requirements of section 143.431.3(5), RSMo, the department has made no change to the proposed amendment concerning this comment.

COMMENT: The comment suggests that including intercompany sales in the apportionment computation distorts the measure of income-producing activity measured either by the sales factor portion of the three-factor apportionment computation or by the single factor computation. In any particular case, this distortion, if any, may favor either the taxpayer or the department.

RESPONSE: The purpose of filing a consolidated return is to treat the affiliated group as a stand-alone corporation is treated. A stand-alone corporation determines its sales apportionment factor, whether as part of the three-factor method or as part of the single factor method, based upon the economic realities of its transactions. The apportionment method is to determine the portion of business transacted in Missouri.

The election to file a consolidated return does not destroy the existence of separate corporate entities existing within the group. The inclusion of the intercompany sales in the apportionment factor, for an affiliated group electing to file a consolidated Missouri return, accomplishes the same result. The inclusion reflects the economic realities of the sales between members of the affiliated group and forms the basis for determining the portion of business transacted in Missouri by the group. The exclusion of the sales between members of the group would fail to reflect economic reality, and thus, distort the apportionment factor. This provision is consistent with the court's decision in *Department of Revenue v. Anheuser-Busch, Inc.*, 527 So. 877 (Fl. App. 1988). The department made no changes to the proposed amendment concerning this comment.

12 CSR 10-2.045 Missouri Consolidated Income Tax Returns

(20) Subsequent Missouri Consolidated Return Years. In the determination of Missouri consolidated taxable income (Missouri sources) for its second and succeeding Missouri consolidated return years, the affiliated group shall use the same interstate division of income

method as it used in its first year, or select a different interstate division of income method pursuant to section (18) of this rule.

(35) Revocation of Right to File Missouri Consolidated Return. The director of revenue, upon finding that the filing of Missouri consolidated returns by the affiliated group does not clearly reflect the Missouri taxable income derived from sources within Missouri and for the purpose of preventing avoidance of Missouri tax liability, may terminate the right of an affiliated group to file a Missouri consolidated return for that year or, in the alternative, may distribute, apportion or allocate items of income, deductions, credits or allowances between or among the members of the affiliated group so that the portion of the Missouri consolidated taxable income (all sources) as is derived from sources within Missouri is clearly reflected. The procedure outlined in sections 143.611-143.691, RSMo inclusive, shall be applicable to actions of the director of revenue under this section.

AGENCY RULES REVIEW

1. Are your rules in need of updated information?
Who takes care of this in your office? Do you need training on the
rulemaking process?

2. Are your agency's forms that appear in *Code* current?
Would it be better to provide them on your website, rather than
keeping them in the *Code*?
